For the first time, you can use this interactive website to comment on the Blue Mountains City Council Draft 2009-2010 Management Plan.

The Draft Plan is in two parts which can be downloaded from the 'Library' on the right-hand side of the web page:

- The Draft 2009-2010 Management Plan - includes details of Council's strategic direction, services and budget for the next financial year, how Council's performance is being measured and how Council is organised.
- Draft 2009-2010 Financial Supplement – contains information about the proposed Fees and Charges, Capital Works Program, Rates and Budget.

This website is independent of Council. You can browse the information or 'Sign-Up' to provide comments on any aspect of the Draft Management Plan via the 'Forum' section of the web page.

Please note that comments made through this website are anonymous and as such cannot be considered as a formal public submission on the Draft Management Plan. However, a summary of all comments made through this website will be provided to Councillors along with public submissions. These will be considered when finalising the 2009-2010 Management Plan.
