

**1. Singleton Central Business District (CBD) Streetscape Improvement Project**

**FILE:RD00910-02**

207/08 **RESOLVED** that:

1. Council adopt the Streetscape Concept Plan as proposed within the Singleton CBD Streetscape Improvement Project Concept Plan Report April, 2008.
2. Council establish the Singleton Streetscape Project Control Group consisting of the Streetscape Sub Committee Community Members and Council staff as detailed within this report and three (3) Councillors, to be the Advisory Committee on the Streetscape Project.
3. Council determine which Councillors are to be members of the Singleton Streetscape Project Control Group for the Streetscape Project.
4. A detailed Consultation Strategy and Plan be instigated to fully inform and consult with the community and stakeholders in regard to the Singleton Streetscape Project.
5. Council adopt the figure of \$6.68 M exclusive of GST for the practical project budget for the Singleton Streetscape Project.
6. Council receive a further report on funding sources for both the capital works and operational and maintenance costs contained within the Streetscape Improvement Project.
7. The Mayor and General Manager be authorised to sign and seal loan documents for the 2007/08 loan funds of \$400,000 for the Streetscape Improvement Project.
8. The consultation period extend until December 2008 with a consultation budget up to \$30,000
9. The balance of the \$300,000 not be spent until the consultation period has been completed.
10. Detail design is to follow the consultation period up until April 2009.

*(Nichols/Gallagher)*

208/08 **RESOLVED** that Crs Harvison, Doughty and Martin are the nominated delegates to be members of the Singleton Streetscape Project Control Group for the Streetscape Project.

*(Gallagher/Robinson)*
